ORDER

Radhakrishnan, J

This appeal is filed by the Travancore Devaswom Board for getting permission of this court to commence the construction work of the Cardiology Centre at Apachimedu. It is stated that the Central Government and State Government have presently diverted the required forest land beside the trek route from Pampa to Sabarimala. It is submitted that the Board considered the report of the Chief Engineer (General) as well as the estimate and accorded its administrative sanction for the work at the estimated cost of Rs.39,22,000/- in cancellation of the original estimate sanction for Rs.29,45,000/-. The present estimate has been prepared on the basis of 2007 schedule. In such circumstances, this application is allowed.

D.B.A. is disposed of accordingly.
